

BOARD OF EDUCATION OF SCHOOL DISTRICT NO.22 (VERNON)

BOARD POLICY NO: 455

Response to Unexpected Health Emergencies	
Approval Date:	
Amendment Date(s):	
Reference(s):	School Act , Support Services for School Order , Ministry of Education and Child Care Policy Update

This policy supports the use of lifesaving first aid tools for the safety of school communities by ensuring that schools are equipped with and staff are prepared to use Automated External Defibrillators (AEDs) and naloxone kits.

The Superintendent will ensure:

- AEDs and naloxone kits are installed, readily accessible, and maintained at every school in the District in accordance with Ministry of Education and Child Care timelines and requirements; and
- training on the use of AEDs and Naloxone kits is available to appropriate staff.
