

BOARD OF EDUCATION OF SCHOOL DISTRICT NO.22 (VERNON)

BOARD POLICY NO: 4.4

Board Representation for Third Party Organisations	
Approval Date:	December 11, 1979
Amendment Date(s):	November 13, 1990, September 21, 2022
Reference(s):	

Third party organisations occasionally seek Board representation to inform their activities. The Board will limit Trustee representation to only those committees which align with governance activities.

The Chair may appoint Trustees to represent the Board at meetings organised by third parties. At such meetings, a Trustee appointed by the Chair may make statements on the Board's behalf. Such statements must not be inconsistent with Board policy or other Board approved positions.

The Chair shall review appointments to standing third party committee meetings at least annually.

In the event the trustee representative is not able to attend a meeting, they are to advise the Chair who will appoint an alternate for that meeting if there is no designated alternate.

Representatives will provide regular reports to the Board at open meetings regarding developments or events pertaining to the District and will keep the Board informed of any developments which affect education of students.
