Dual Credit Application

Congratulations on deciding to take this exciting step forward into your education and future career! This guide will be helpful as you prepare your application for submittal to us.

WHAT IS DUAL CREDIT?

Taking part in this program means that you will attend a college program while enrolled in high school. You will receive both college credits and a number of Grade 12 credits that will be used towards your required graduation credits. The school district will provide tuition sponsorship for the foundation or certificate program. Your Career Coordinator will support you throughout the application process and the remainder of the program.

PLEASE READ STEPS FOR SUBMITTING AN APPLICATION:

- It is in your best interest to complete your application as soon as
 possible to give you the best chance for admittance into the
 college program. This would ideally be completed as close to the
 registration opening date as possible, usually a year in advance to
 the start date. We will also require time to review your
 application.
- Submit the application package to your Career Coordinator for review and they will forward the completed application to the Career Programs District Office.
- You may be asked to complete an entrance exam for English and/ or math competency.
- In addition, your attendance, behavior record, and transcript will also be reviewed.
- If a candidate is successful their application will be sent to the post-secondary institution by the Career Department staff.
- The Career Department and the post-secondary institution will notify the candidate via email if accepted into the program. A conditional acceptance letter will be sent via email to the candidate as well as information from the post-secondary regarding class start times, textbooks, etc.

Resume

Include an up-to-date resume.

Personal Letter in Support of Application

Create a letter that answers the following questions: What makes you confident that you have selected the best Dual Credit program for yourself? How does the program selected relate to your planned occupation/career? Why do you believe you will be successful in completing the program? If you did not receive a certificate then you'll need to complete the unit and test as described in the application package.

CONDITIONAL ACCEPTANCE

After being admitted into the Dual Credit Program students are conditionally accepted and School District #22 reserves the right to refuse/remove sponsorship of any student due to poor attendance, achievement or discipline issues, etc., either prior to the start of the program or through its duration.
